Done Internet

Each team has their own section of the web site showing

Details on the next game
 Player statistics
 Team schedule
 Team results

After the game each team must submit a game report on the web site within 24 hours of the game

Only when both teams have submitted a report will a result be posted. When this occurs the statistics and the standings will be updated

Here is a screen shot of a game report from one of the teams

This team is second to submit a game report so they are asked to agree with the score submitted by their opponents
